

In-house tech recruitment

Do you need a tech recruitment consultant who can be embedded into your in-house talent acquisition team?

We have developed the most advanced in-house model on the market. The key to our success is providing quality Talent Acquisition consultants with all the tools required to be successful.

This approach means you have a dedicated and flexible resource that is far more cost effective than the traditional agency model with all the same tools to be successful.

We offer three options depending on the volume of hires and seniority required. These options are based on a fixed monthly cost with no hidden fees.

£15,000 – Senior Talent Acquisition Partner

5 years minimum in-house experience
Strong stakeholder management experience
Experience delivering your technology

£12,000 – Talent Acquisition Partner

3 years minimum in-house experience
Strong stakeholder management experience
Experience delivering your technology

£10,000 – Tech Sourcer

2 years delivery experience in either agency or in-house

TALENT TOOLKIT

We believe it is vital that in-house consultants should have all the same tools as agency recruiters, giving them the best possible chance to be successful. We provide your embedded consultant with the following tool kit:

- Dedicated Customer Success Manager
- Access to our global agencies cloud-based ATS (accessProfile) with thousands of technical candidates across Europe
- Free software sourcing tools including LinkedIn Recruiter, Lusha and ContactOut

- AI research tool Pocket Recruiter, reducing timely searches with more focus on engagement
 - Improves time to hire by 50%
 - Saves 60% of your time sourcing and screening
- Support from a network of niche agency recruiters
- 5-star rating system making sure your talent expert has customer experience front of mind
- Fully trained Talent consultants in partnership with the Recruitment Network and Social Talent
